

Basketball Sample Plays

Dribble, Pass, Shoot

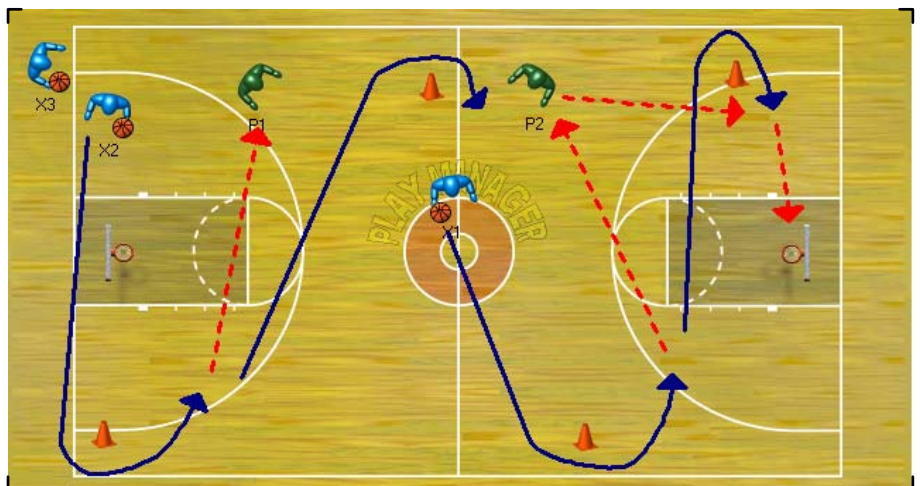

Ensure all players take a turn as a passer.

X1 dribbles ball at full speed around first cone, and then passes to P1. X1 sprints without ball around second cone, and takes return pass from P1.

#1 - [0.00]

As soon as P1 completes his pass to X1, X2 starts the same process. X1 continues around 3rd cone, passes to P2, runs around 4th cone, takes return pass from P2, and drives to the basket.

#2 - [6.30]
