

# Football Sample Plays

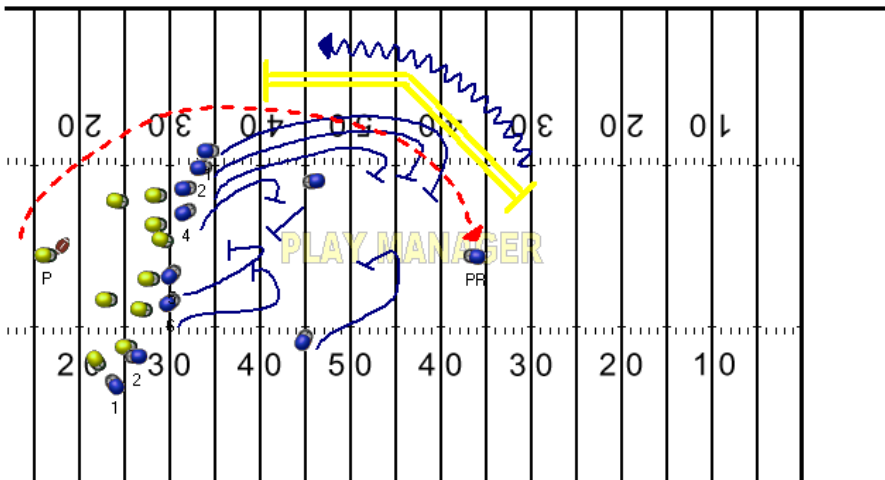

## Punt Return Shield

Systematic clearing of a run zone for punt returner.

#1 - [0.00]

Right 6 players apply pressure for a half second and then retreat. Left 2 players apply pressure, trying to occupy more than two opponent players.

#2 - [2.09]

Right 6 players peel off and execute their blocking assignments, along with midfield players. PR is able to utilize the shield to run up the right flank.
