

Soccer Sample Plays

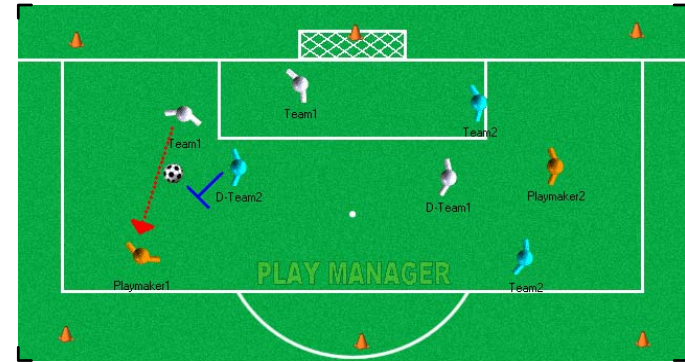

Keepaway Variation (Game)

Set up a 60 x 40 yard area, two teams of 3, and two designated playmakers.

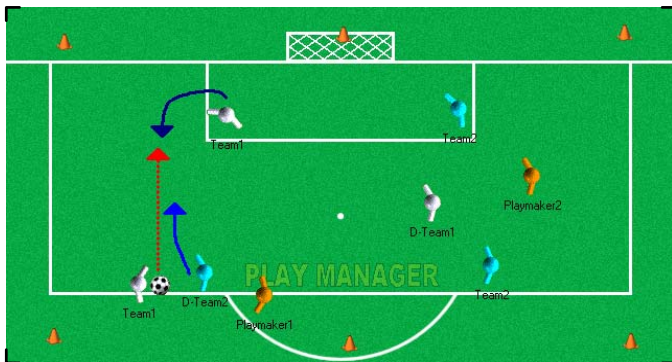

#1 - [0.00]

Team 1, working in left half of field with Playmaker1, plays keepaway from D-Team2.

#2 - [1.34]

Each successful pass to Playmaker1 scores a point for Team 1. D-Team2 works hard to take the ball away.

#3 - [4.38]

Team1 makes another successful pass, but since it is not to Playmaker1, no points are scored.

#4 - [7.97]

Once D-Team2 gets the ball away from Team1, he passes into the right half of field where Team2 begins working with Playmaker2 to keep the ball away from D-Team1.
